Letter of Acceptance

TO WHOM IT MAY CONCERN

With this letter I, Professor Peter Macheroux, Head of the Institute of Biochemistry at the Graz University of Technology, confirm that Dr. Samuele Suraci, PhD student at the Molecular Medicine Doctoral School (University of Siena) (XXXIV cycle), will visit my laboratory at the Institute of Biochemistry beginning from October 1, 2020 until September 30, 2021. During this period, he will perform activities/experiments related to the physiological role of human dipeptidyl-peptidase III under my supervision.

Sincerely yours,
