Details of the PhD student

Name Francesca Paola Luongo

Birth Date 21/11/1989

Matricular number: 106811

Degree course: Doctoral Degree

Year of PhD program: Second

PhD Cycle: XXXVI

Department: Molecular and Developmental Medicine

Italian Address Via Esterna di Fontebranda, 6 Siena 53100 IT

e-mail francescapaola.lu@student.unisi.it/luongofrancescapaola@gmail.com

Phone number+ 393401719091

Sending Institution: University of Siena

University Tutor: Luddi Alice

Project: Optimization of a Multi-Organ-Chip based 3D endometrium model

The student will get hands on the sterile work with human cells and cell lines which are used to build up a novel 3-dimensional model of the human endometrium. The model will be implemented into TissUse's Multi-Organ-Chip. Different methods for in-process and endpoint analysis (e.g. qPCR, IHC) are additionally trained.
